

Website and Social Media Use Client Release Agreement

Our Company likes to celebrate and promote the achievements and positive feedback of our clients from time to time. For example, we might post on our website, use your testimonial or make a Facebook post, and possibly include some accompanying photos.

Kindly indicate your preference and sign this consent to deny or grant permission to publish your name, image or video in various social media without further consent.

- I grant permission for our Company to use and publish my/our names, event details, photographs/images or written testimonials of myself for celebratory and/or promotional purposes on social media and online channels (website, Facebook, Twitter etc).

- I do not grant permission for our Company to use and publish my/our names, event details, photographs/images or written testimonials of myself for celebratory and/or promotional purposes on social media and online channels (website, Facebook, Twitter etc).

I understand that any details or images may be viewed by the general public.
